

United States Department of State

Washington, D.C. 20520

JUL 31 2008

Dear Madam Speaker:

Pursuant to section 36(c) of the Arms Export Control Act, as amended, I am transmitting, herewith, certification of an application for a license for the export of defense articles or defense services to be sold under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to the Republic of Korea, the United Kingdom, New Zealand, Canada, Israel, Australia, and Italy to support the refurbishment of eight P-3C (L) aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Matthew A. Reynolds
Acting Assistant Secretary
Legislative Affairs
